

Dear friends,

We are pleased to extend you an invitation to take part in the “Federation Cup” international professional sports competition 2023 in Kazan.

In the present context, the possibility of staging the competitions, which embody mutual respect and convey the humanistic value of fair competition, is acquiring particular importance. Federation Cup symbolises the support for the athletes and formation of a healthy lifestyle across the population. The main message the event spreads is strengthening international friendly ties.

Competitions organised by the Russian Artistic Swimming Federation and ANO “Directorate for Sports and Social Projects” will take place in Kazan, which is the “Sports Capital of Russia” and the centre of gravity of the most large-scale events in aquatics, as it has all necessary resources and vast experience in holding international competitions, among which are the 27th Summer Universiade 2013, 16th FINA World Championships 2015, FINA World Junior Synchronised Swimming Championships 2016, and FINA Artistic Swimming World Series 2019 and 2021.

“Federation Cup” international professional sports competition 2023 is to be held in Kazan on 9-13 December 2023.

Our close-knit team is putting every effort to make the competitions unforgettable for the guests of our wonderful, hospitable city.

Your participation in the Federation Cup will significantly contribute to the development of artistic swimming, favourably impact the promotion of sport among the younger generation, and will embody mutual trust and respect to the diversity of cultures.

Welcome to Kazan!

Best regards,

Maksim Denisov
